

A focus on growth may prompt concern that workflows are not effectively supporting current operations and continued growth. RLR provides consulting services that will collect data through interviews, observation and experience, develop review documentation and perform current and future Workflow Analysis to deliver the following:

Operational Services

- Operations Analysis and Optimization
- Operational Policies and Procedures
- Process Efficiencies
- FTE Optimization

Lending Services

- Loan Policies and Procedures
- Loan Pricing Models
- Loan Reviews

MANAGEMENT CONSULTING, INC.
